Photography by figphoto.net

Over 400 brides-to-be and their guests gathered for an evening of elegance as *CS Brides* hosted the fifth annual An Evening of Bridal Luxury in the exquisite ballroom of the **Trump Chicago Hotel & Tower**. *CS Brides* welcomed the city's most fashionable ladies to a night of bridal bliss, featuring an exclusive runway show of the **Vera Wang Spring 2011 Bridal Collection**. During the event's reception, models mingled through the crowd showcasing an array of gowns from **Belle Vie Bridal Couture**, **Amsale**, **Anne Barge**, **Christos**, **Elizabeth Fillmore**, **Reem Acra**, **St. Pucchi** and **Giselle** as DJ Megan Taylor from **Fig Media** set the mood with the latest tunes. Guests savored delectable bites from the hotel's honorable chefs and sipped on champagne courtesy of **Dom Pérignon** as they floated into the Grand Ballroom for the highly anticipated fashion show. Décor by **Heffernan Morgan** transformed the ballroom into every bride's fantasy with luxurious drapery and exquisite floral arrangements, while **Frost Lighting** set the stage for the gorgeous models to strut the elegant Vera Wang gowns. To top off this magical evening, guests indulged in a sinful dessert bar, and brides received a luxury swag bag courtesy of **Bagable Gifts** and **Elizabeth Grace** worth more than \$1,000. A percentage of the event's proceeds were donated to **Bright Pink** to support the beauty and health of women.
