

THEIR STORY

BRIDE Ashley Kain, 30, a consultant GROOM Ari Silver, 30, a teacher HOW THEY MET On JOate.com WEDDING STYLE Ashley and Ari pulled off their autumnal affair with a silver and apricot color scheme. —LL

The silver in the couple's cofor palette was a play on their last name, which they balanced out with warm, fall hues and rustic woodsy details.

The cake was decorated with the same rosette design as the linens and the skirt of Ashley's dress. "It really tied everything together—I just wish we had gotten to eat more of R!" Ashley recalls.
